

Our Debut in Syracuse: The Westcott Theater with Driftwood

Whippoorwillow will open for Driftwood at the Westcott Theater in Syracuse on December 12th. We have triple the usual pre-gig excitement: This is the first time we will reach our Syracuse fans, Driftwood is fantastic and inspiring, and The Westcott Theater seats about 600 more people than any other venue we've played. Tickets are available at whippoorwillow.bandcamp.com/merch and at Sunny Days of Ithaca for \$13.00 in advance.
